**II. Preamble**

The Economic Community of West African States (ECOWAS) was founded by the Treaty of Lagos, in May 1975 and is a regional group of fifteen countries: Benin, Burkina Faso, Cabo Verde, Côte d'Ivoire, The Gambia, Ghana, Guinea, Guinea Bissau, Liberia, Mali, Niger, Nigeria, Senegal, Sierra Leone and Togo. The aim of the Community is to promote co-operation and integration, leading to the establishment of an economic union in West Africa in order to raise the living standards of its peoples, and to maintain and enhance economic stability, foster relations-among Member States and contribute to the progress and development of the African continent.

Through its departments and various agencies, ECOWAS is implementing critical and strategic programmes that will deepen cohesion and progressively eliminate identified barriers to full integration. In this way, the citizens of the community can ultimately take ownership for the realization of the new vision of moving from an ECOWAS of States to an "ECOWAS of the People: Peace and Prosperity for All" by 2050.

Toward the achievement of this vision, the ECOWAS Youth and Sports Development Centre (EYSDC), which was created by the Decision A/DEC.13/01/05 of 19<sup>th</sup> January 2005 at Accra, Ghana as a specialized Agency, is implementing policies, activities and strategic action plans, as well as the ECOWAS vision in the areas of youth and sports, including the ECOWAS Volunteers Programme (EVP) under the Human Development and Social Affairs Department of the ECOWAS Commission. It is

based in Ouagadougou (Burkina Faso) under the headquarters agreement signed between the Burkina Faso authorities and the ECOWAS Commission.

The EYSDC implements her policies, activities and strategic action plans, as well as the ECOWAS vision in the areas of youth and sports, including the ECOWAS Volunteers Programme. The EYSDC's objective is to initiate, develop, coordinate and implement youth and sports programmes within the Community. To this end, it works to:

- mobilise the different segments of the population to ensure their integration and effective participation in the social development of the region, as well as the promotion of youth organisations and professional associations to ensure maximum participation in the activities of the Community;
- provide a permanent institutional framework within ECOWAS through which issues related to Youth and Sports activities in the sub-region can be developed and promoted.

### **III. Organizational Framework of the Centre**

Since its official launch in Monrovia, Liberia on 26 March 2010, the ECOWAS Volunteers Programme (EVP) has devoted time, resources and expertise to promoting regional unity, peace, and development through volunteerism. The ECOWAS volunteers, young male and female Community citizens, have kept faith with the ECOWAS vision of a community of people supporting people, and demonstrated their collective conviction that peace-building and reconciliation can be useful development tools for establishing peace in member States and across West Africa region.

The ECOWAS Volunteers Programme (EVP) is a demand-driven flagship programme of the ECOWAS Commission. It seeks to harness and inject the expertise and professional and personal contributions of mainly young citizens into the process of the implementation of national development agenda of their host countries and communities. And as they do so, they also build and develop their own capacities through contacts with their new professional and social-cultural environments and the lessons derived therefrom.

The EVP is centralized in organisation, but decentralized in its application to allow for flexibility and adaptation to the current realities of each country. The strategic directions, including the formulation of the overall vision, goals and objectives of the Programme, is the responsibility of the Regional Coordination Council (RCC), whose role, among others, is to ensure that the EVP becomes a genuine voluntary arm of ECOWAS.

Being a cross-cutting programme, the ECOWAS Volunteers Regional Coordination Council (RCC) includes representatives of relevant departments of the ECOWAS Commission. The RCC is chaired by the Commissioner for Social Affairs and Gender of the ECOWAS Commission. She is assisted by the Director of the ECOWAS Youth and Sports Development Centre (EYSDC), as Alternate Chairman of the RCC.

The executive arm of the RCC is the Regional Office, provided by the EYSDC in Ouagadougou (Burkina Faso). The programme's regional coordination activities are coordinated by a Regional Coordinator

under the supervision of the EYSDC Director. Although the EVP is under the Youth Division of the EYSDC, it is directly supervised by the EYSDC Director for effectiveness.

At the National level, the National Coordination Council (NCC) serves as the national body through which national policy guidelines for the Programme are given. This Council works towards the understanding and entrenchment of the Volunteer Programme in the national environment. It also serves as advisor to the country office, which is responsible for the coordination of the Programme at national level. The NCC is chaired by the Head of the ECOWAS National Office in the country. It is made up of Focal Points/Representatives of the various ministries, Civil Society Organisations, United Nations Agencies and local youth associations involved in the implementation of the Programme at the National level.
